## Dedication to

Dr. Wilfred E. Binkley

Dr. George B. Miller

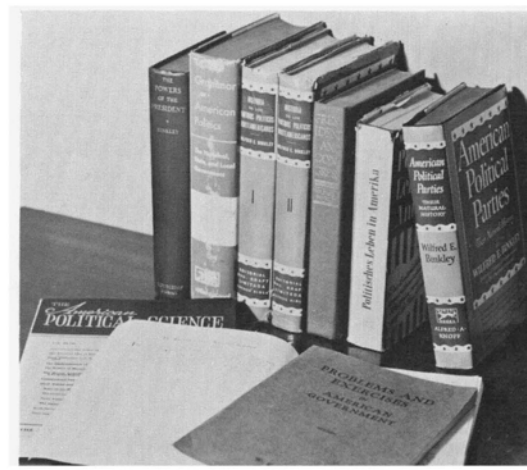

The 1962 Northern Annual Staff takes pride in dedicating this year's book to two of the truly outstanding men of Ohio Northern's campus. Dr. Wilfred E. Binkley and George B. Miller are known and remembered by all who are passing or have passed through the halls of dear O.N.U. The student body has come to love and respect these men for not only their intense personal interest but also their willingness to understand a problem from the students' viewpoint.

Dr. Binkley was educated at Ohio Northern University, Ohio State University, and Antioch College and has been in the teaching field well over forty years. Last year he was honored with a Convocation for 40 years service here at O.N.U. In addition to teaching here, Dr. Binkley has also taught at Ohio State University, Bowling Green State University, Oxford of England, and Columbia State Teachers' College. Dr. Binkley has been president of the Ohio Historical Society and is a member of the Midwest Political Science Association, National Political Science Association and

was a member of ex-President Eisenhower's Historical Publications Committee. Dr. Binkley is a member of Sigma Phi Epsilon fraternity. Dr. Binkley is currently writing a new book which will be published soon to join his already successful ones.

Dr. George B. Miller came to Ohio Northern University two years ago to assume the position of Dean of Students and since then his popularity has been steadily increasing. By being Dean of Students Dean Miller has been confronted with many and complex problems, but it can never be said that Dean Miller has ever let a student down. Dean Miller always seems to be able to find a solution suitable to both the university and the students without allowing to be angered. Dean Miller also serves as adviser to the Student Council, IFC and is chairman of the Student Activity Council.

Dr. Binkley and Dean Miller have both earned a place in the hearts of all the student body and university and so it is with great honor that we dedicate this book to them for a lasting treasure.

## Priestly Debate

S. E. Gerard Priestley

Dr. Priestly, Dr. A. Milnar

S. E. Gerard Priestley opened Ohio Northern's Artist and Lecture Series on Sunday, October 1. Priestley is one of the outstanding personalities on the American lecture platform. As a specialist in international affairs, he has achieved much acclaim after many years of study in this country and abroad.

This section—the Social Scene—is a chronological history of the social activities as they happened throughout the school year 1961-62. **Remember** when ———

## “Glass Menagerie”

Judy Seifert, Mrs. Virginia Belch

Judy Seifert, Jon Bancroft

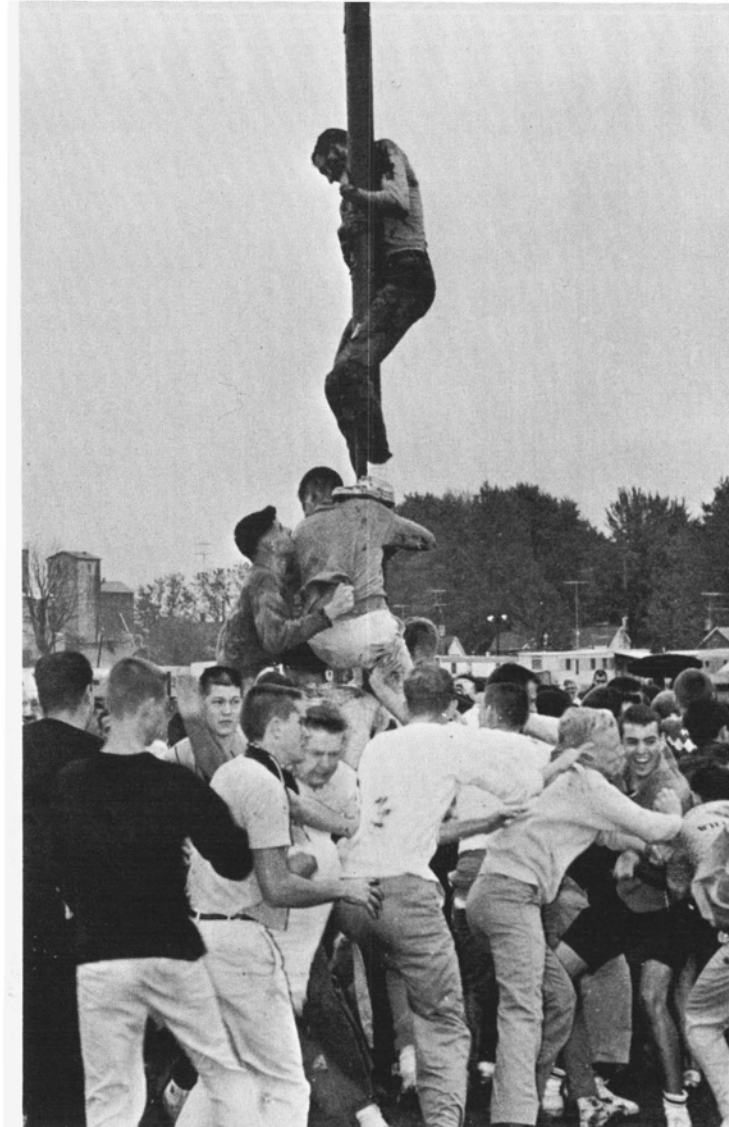

“Glass Menagerie” by Tennessee Williams was presented October 14 as a special attraction for the returning alumni. This performance, first given in May, 1961, to standing-room-only crowds, provided the stimulus for the re-run.

The cast included: Mrs. Virginia Belch, as the mother, Amanda; Judith Siefred of Ada as the crippled daughter, Laura; Clair Myers of Cleveland as the sensitive son, Tom; and Jon Bancroft of Toledo as the egotistic gentleman caller, Jim.

“Glass Menagerie” has been chosen as the 1961-62 Northern Players touring show.

# The Homecoming Dance and Coronation

The Homecoming dance, finale of the weekend, was reigned over by Queen Judy Truitt, Delta Zeta from St. Johns, Ohio. Queen Judy was presented with a trophy, corsage and other gifts at the dance. Her attendants, Kay Baum, Zeta Tau Alpha and Paula Stove, Alpha Xi Delta, received trophies and corsages.

The dance was sponsored by the Student Council and held in Taft Gymnasium. Music was supplied by the renowned Tex Beneke and his orchestra.

## Turnau Opera Players

The Turnau Opera Players of New York City presented Mozart's light opera "Cosi Fan Tutte" (Women Are Like That) on October 15, 1961.

The Turnau Players were organized in 1955 with the purpose of presenting opera in English as a union of dramatic and musical values. An immediate success, the company has staged over 250 performances of 30 different operas.

The leading female role was sung by Barbara Lockard, mezzo soprano of wide acclaim. The leading male role was assumed by Francis Monachino who has appeared in over 25 NBC opera telecasts.

## Religion In Life Week

Dr. C. Everett Tilson

Dr. Everett Tilson attended Marion Junior College, King College (**AB**), Vanderbilt University Divinity School (BD, PhD), Garrett Biblical Institute, Postdoctoral Studies at Hebrew Union of Cincinnati and Divinity School. He is the author of several books including: "The Conscience of Culture," "Segregation and the Bible," "Our Hebrew Heritage," and "Should Christians Drink?"

He has held the position of supply minister of the First Presbyterian Church, Madison, Tennessee ('47-'49); minister of Belle Meade Methodist Church, Nashville, Tennessee ('50-'52); instructor, assistant professor, and associate professor of Biblical Theology in Vanderbilt University Divinity School ('52-'60); and is currently Professor of Old Testament at the Methodist Theological School of Ohio.

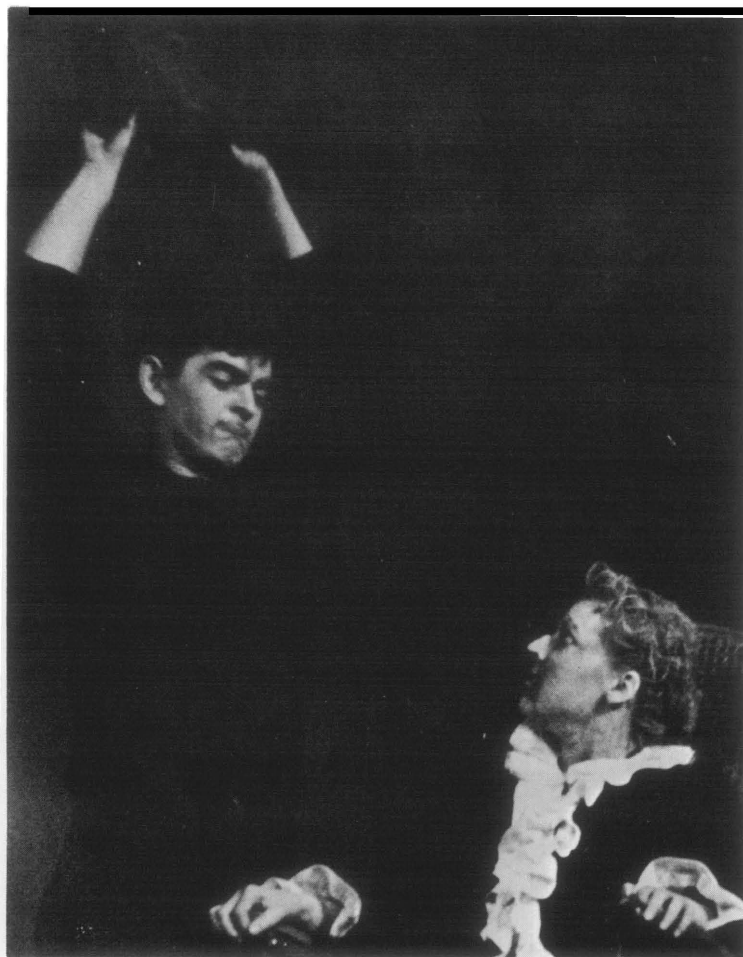

Dr. Charles Everett Tilson opened the 1961 Religion in Life Week October **22** with the message, "On Coming of Age," at the First Methodist Church. Activities of the week included daily chapel, daily luncheons in the University Union, television appearances, informal meetings led by the resource teams each evening.

The O.N.U. Religious Council, composed of representatives from I.F.C., Panhellenic Council, Student Council, university dorms, the faculty, and all the religious groups on campus, selected speakers, planned services, organized forums and made all the necessary arrangements for the week.

## "Night Must Fall"

To open their 40th season, the O.N.U. Theatre and the Northern Players produced "Night Must Fall." The play was the study of a cold blooded, psychopathic murderer whose deliberate and incredible arrogance proved fatal to himself and the women who loved him. "Night Must Fall" was written by English playwright, Emlyn Williams.

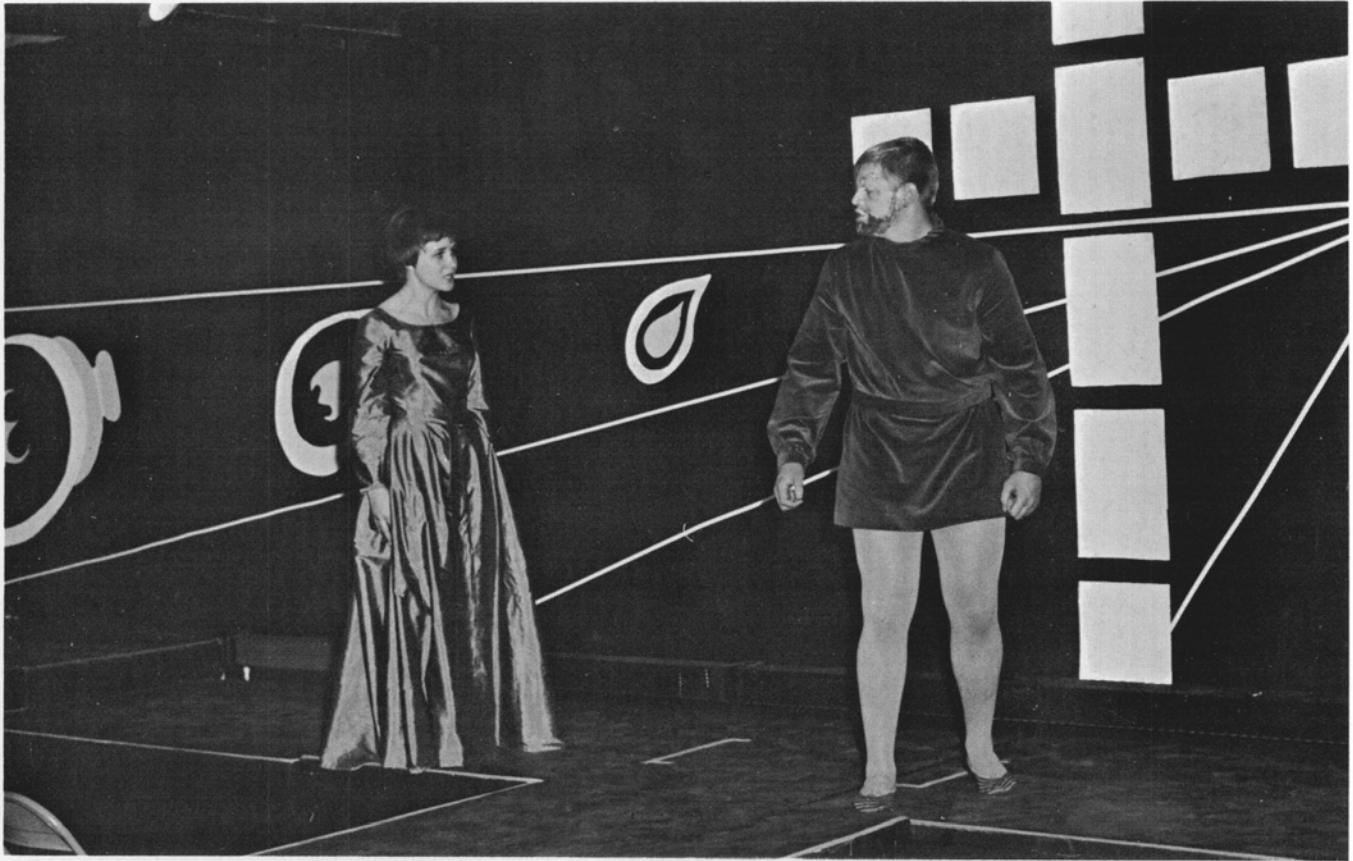

The main character in the play was Dan, played by Clair Myers. Other members of the cast were: Mrs. Bramson, Luis Tittle; Dora, a maid at Bramson's, Jane Kellogg; Olivia, the unhappy niece of Mrs. Bramson, Marlene Allen; Inspector Belsize, Jon Bancroft; Heubert Laurice, Bill Moore; and Mrs. Terrance, Sarah Peckenpaugh.

## “Royal Gambit”

Royal Gambit, produced in the experimental Lab Theatre, is a relatively new play which gained wide acclaim among college theatre groups. The playwright, Herman Gressieker, takes Henry **VIII** of England and his six wives and moves them from the 16th century to the present.

Theatre major Clair Myers directed and designed the unique play and set. The actors included David Hytree portraying Henry **VIII**. The six wives were portrayed by Cathy Wright, Sally Tolford, Penny Pogany, Donna Madeley, Mary Ruth Grubbs, and Margot Morstatter.

## Vienna Boys Choir

The Vienna Boys Choir on their eighteenth tour of North America presented a program of religious and Austrian folk songs combined with a short comic operetta. The boys captured a standing room only crowd with their excellent voices. The choir was founded in **1498** by the Imperial Decree of the Holy Roman Emperor Maximillian I. It was exclusively controlled by the Hapsburg Court until the fall of the Empire in **1918** and has included such boys as Josef Hayden and Franz Schubert in the choir.

Sally, sophomore physical education major from Pittsburg, Ohio is a member of Delta Zeta Sorority. Sally's attendants were Virginia Havens, Nancy Holiday, and Sandra Bidlack.

Jerome Kilty and Cavada Humphrey

## “Dear Liar”

The world renowned production of “Dear Liar” was presented on Lehr auditorium stage as a part of the artist lecture series. Jerome Kilty and Cavada Humphrey performed the original production in Chicago and Boston in 1957.

The play is a ‘serio-comic love affair’ based on the correspondence between Bernard Shaw and Mrs. Patrick Campbell, the Irish actress.

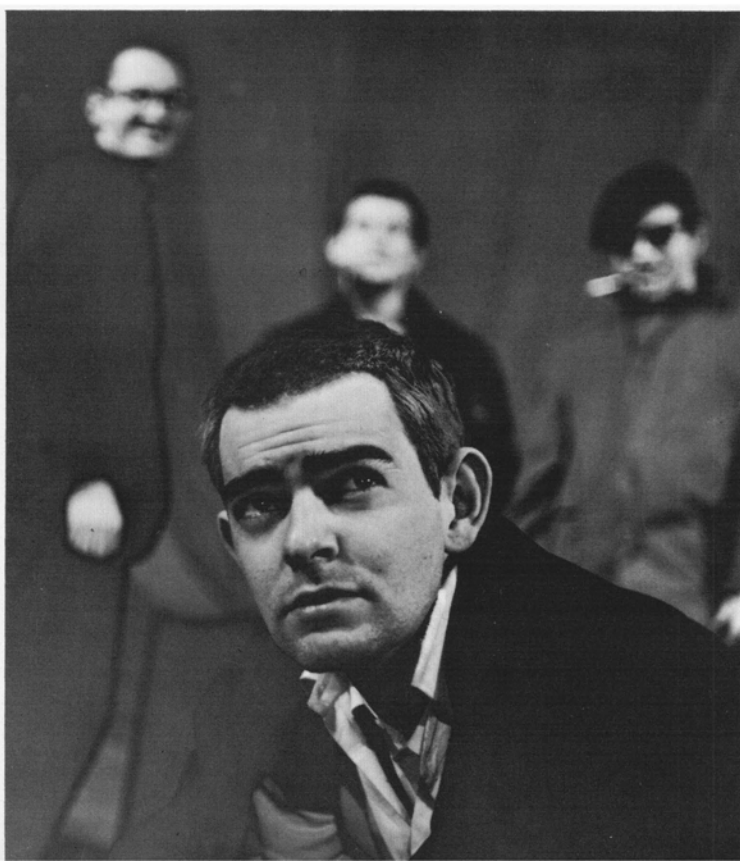

## “J.B.”

The modern play “J.B.” is based on the Biblical story of Job. Written by Archibald MacLeish, the play tells of two broken down actors who decide to reenact the story of Job. Job is not the Job of the Bible but the J.B. of the modern business world. J.B. is a man who is caught in the web of modern civilization and his problems are modern by nature.

The theatre department added unique touches to the production such as plasticized masks of God and Satan and an original musical score by Dr. Thomas Matthews of the Music Department.

## The Pilar Gomez Dance Company

The Pilar Gomez Company of dancers and musicians presented their colorful repertoire for artist series audiences in March. Their program included presentations from the folk-lore of Andalusia, the Basque country and Mallorca, rarely-seen Mexican folk-dancers, the ever-beautiful classic Flamenco, and entertaining satires of more modern-day works, including those steps of "The Roaring Twenties."

# Founder's Day Convocation

Byron Wherry, Dr. F. Bringle McIntosh, Mrs. Sarah Lehr Kennedy, and Dr. Horace Montgomery.

Dr. Horace Montgomery, professor of history at the University of Georgia, addressed the first of ten annual convocations leading to the university's centennial celebration in 1971. During the convocation honorary degrees were conferred by President McIntosh on Mrs. Sarah Lehr Kennedy, daughter of the founder; Byron Wherry, Chicago engineering consultant; and Dr. H. Montgomery.

## theatre production

### “Blithe Spirit”

“Blithe Spirit,” written by Noel Coward, is an improbable farce comedy. The play has been described as a fairy tale for adults. The production was designed and directed by Dan F. Kelleher. The cast included Ken Frizzell, Marti Bowman, Harriet Warnock, Lois Morrel, Lois Tittle, Walter Goudy and Margot Morstatter.

## Spring Concert

The concert band presented its annual spring concert under the direction of Lowell Weitz. The symphonic band played two marches: "Brass Aflame," and "French National Defile." Selections from the classical composers included "Die Meistersinger" by Richard Wagner, "Marriage of Figaro," by Mozart, and "Galliard and Courante," by Frescobaldi. Leroy Anderson's "Bugler's Holiday" was performed by the band. Concluding the program, the band played "Stars and Stripes Forever," by John Phillip Sousa with Marilyn Crebs playing the piccolo solo.

Mr. Lowell Weitz

## artist series

**Mr. Theodor Uppman**

Appearing in the final Artist Series production, was Theodor Uppman, successful Metropolitan Opera star. Mr. Uppman has appeared frequently on television on the Voice of Firestone and the Bell Telephone Hour programs. Mr. Uppman, a baritone, has performed in such operas as "The Magic Flute," "Pelleas et Melisande," and "Don Giovanni."

# May Day

## may day

Tension mounts as the crowd gathers to hear the long awaited announcement of the 1962 May Day royalty. Sue Yeager of Delta Zeta sorority was named freshman attendant, along with Pam Purcell, sophomore attendant, and Sally Boylan, junior attendant, both of Delta Zeta. A hush came over the crowd prior to the announcement of Mary Ruth Grubb, of Zeta Tau Alpha sorority, to reign as May Day Queen. Jerry Gross, Delta Sigma Phi, was named May Day King the following night after a special election to break a tie vote. After the excitement wore off everyone returned to their respective floats to put the final touches on them. The tug-of-war held behind Taft Gym saw Sigma Phi Epsilon and the Tigers come out the winners after the parade.

# FOOTBALL

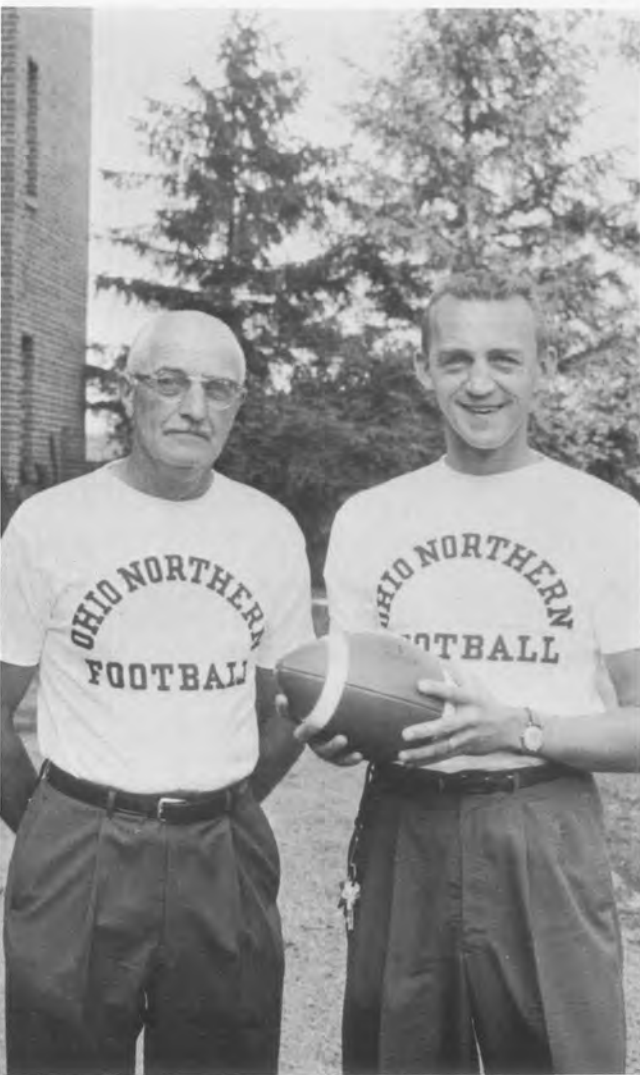

The 1961 football team continued the success that head coach "Stretch" Roberson brought back to ONU the year before. The Polar Bears finished **6-3** for the season and 4-1 in the Mid-Ohio League. The 4-1 was identical to last year's record but only good enough for second to the undefeated Findlay Oilers.

Managers and trainers

The 1961 ONU Polar Bears boasted 15 lettermen at the beginning of the season, all of whom were part of last year's M-O-L champs. There were 5 seniors who played their last game here this year: Ken Failor, tackle; Lonnie Norris, end; Floyd Seitz, back and Herb Strayer, back. The rest of the team were juniors, sophomores, and freshmen. The season's record was **6-3**, equal with last year's in the M-O-L but not good enough to win.

## Northern 8 Alma 7

Ohio Northern opened their 1961 football season on a winning note by defeating a stubborn Alma College team, 8-7. Alma scored first in the second period on a sustained drive and after adding the extra point, they had a 7-0 lead.

In the third period Jim Bolinger broke away for a 33 yard touchdown run for Northern. With the score 7-6, Northern's disadvantage, "Stretch" called for a 2 point extra point attempt. It was successful as Tom Greer passed to Ed Gmyrek who made a fine diving catch. This made the score 8-7 in favor of Northern, and as the game eventually turned into a defensive battle, it was the final score.

Northern had two great opportunities in the second half but couldn't convert them into points. Once a pass interception ruined a march; and on the second drive an offensive pass interference call stopped the threat.

Ferris 12

The highly rated football team representing Ferris Institute University, located in Big Rapids, Michigan, handed the Polar Bears their first defeat play with Jim Bolinger carrying the ball on a 61 yard touchdown run. With the score 7-0 in favor of Northern at halftime, Ferris came out and scored two quick touch-

downs early in the third quarter. Ferris then held on to win 12-7.

On the ground Northern gained 180 yards while Ferris gained 145 yards. The big difference was Ferris' ability to move the ball through the air. They clicked on 6 passes good for 119 yards while Northern completed no passes.

## Northern 40      Defiance 20

The Polar Bears opened their home season by unleashing an explosive ground game against Defiance to beat the Yellow Jackets 40-20. The Defiance eleven seemed utterly powerless against Coach Roberson's combine, as the Bears rolled up a total of 406 yards on the ground. Meanwhile, the Bear's defense was holding Defiance to a total of 25 yards rushing.

Northern scored early in the game on a 22-yard scamper by halfback Jim Bolinger and held a half-time lead of 19-6. The Bears continued to roll in the second half on touchdowns by Ken Wise, Denny McKinley and Bill Norris.

Defiance, riding on the arm of Tom Gryzwinski, hit through the air for their three touchdowns.

The game gave every player action and experience as "Stretch" cleared the bench in the waning moments of the game.

Findlay 22

The Findlay Oilers proved too tough for the Northern eleven as they shut out the Bears 22-0. The penalty-riddled contest saw the Polar Bears lose the ball on numerous occasions to the Oilers. The Findlay eleven, composed of many fresh-

men, proved that they were much stronger than anyone had anticipated. The passing of quarterback Tippie and the ground gaining of Cottrell and Odel Berry proved to be too much for the Bears to cope with.

## Northern 63    Wilmington 8

A stadium capacity crowd saw Ohio Northern highlight the homecoming week end by romping over Wilmington 63-8. The Bears could do no wrong as they amassed a grand total of 573 yards rushing and passing. This was a team game as everyone played to his limit both on offense and defense.

Six players broke into the touchdown column with Jim Bolinger leading the scoring parade with three touchdowns. Dennis Anspach ran his conversion string to eleven straight points. Quarterback Bob Ritzman proved that Northern could be a threat through the air also, as he threw two touchdown passes late in the game.

## Northern 28 Ashland 13

For the first time in eight years, Northern defeated Ashland by the score of 28-13. The Bears scored first on a recovered punt fumble by Jim Judy and were never behind from that point on. The Bears garnered two more touchdowns in the first half to hold a halftime lead 21-13. The Polar Bears managed to put one more tally across the goal line in the fourth quarter while holding Ashland scoreless.

Dennis Anspach ran his string of conversions to 15 straight for the season.

Northern then held second place in conference play with a 3-1 record. Findlay led the conference with a 4-0 record.

Just before the game

## Northern 18 Bluffton 0

On a very wet Saturday night bearing the date of October 21, 1961, Bluffton College visited Ada with hopes of upsetting their neighbors. With the help of the sloppy footing and all, the game remained 0-0 until late in the third quarter despite Northern's repeated drives into Beaver country. Then Bluffton, with the ball on their own eight, tried to sweep the end, but Jerry Hanzie smothered the Bluffton runner in the end zone for a safety. From here on, it was Northern's game. The next time Northern got the ball, they scored on Bolinger's short line plunge. As Northern's defense held, Bill Norris scored again minutes later on another short plunge. This touchdown was set up by a spectacular Strayer to Norris pass play. The extra points were good by Anspach. Then, near the end of the game, Chuck Dasher caught another Beaver back in the wrong end zone and Northern had their second safety of the game. The game ended with Northern trying a field goal which failed.

Halftime entertainment

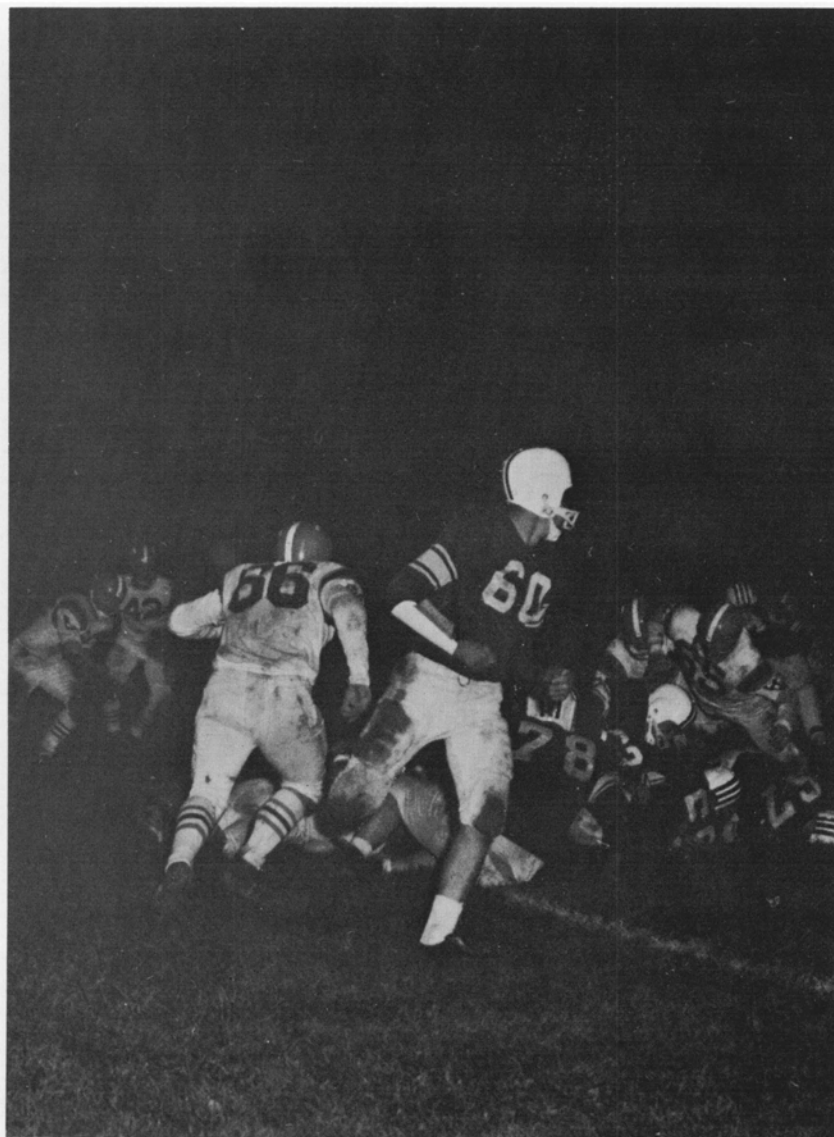

## Northern 3      Olivet 6

Northern's schedule this year featured three tough Michigan college foes. The third of these was the strong team from Olivet College. They came to Ada with an impressive 6 win and 1 loss record.

The game was hard fought but Northern came out on the short end of a **6-3** score. The first time Northern had the ball they headed for pay dirt, but the drive faltered and Dick Trick was forced

to kick a 30 yard field goal. For a while it appeared as if this early score was going to be the only scoring in the game. As the game proceeded, however, an Olivet pass pattern found a gaping hole in the Northern pass defense. Twice Olivet had men wide open, only to have the pass miss the target. When the play was tried again, it resulted in a 68 yard touchdown play giving Olivet the ball game.

Ball State University of Indiana was Northern's final opponent for the season. Although pre-game dope revealed that Ball State felt as if they were stooping too low in order to play the "unknown" Polar Bears, the final score was Northern 49 and Ball State 20. The score could have been worse but Coach Roberson substituted freely after the Polar Bears had thoroughly indoctrinated the Ball State players in the fundamentals of "little time" football.

Northern kicked off to the visitors and on the third play from scrimmage, the Polar Bears had the ball as a jarring tackle by Ed Gymrek caused a Ball State fumble. Bill Norris started the rout by skirting right end for a 49 yard touchdown run which featured a nifty cutback about halfway down the field. Another fumble minutes later recovered by Northern set up the second touchdown. This was scored by Jim Finch on a 13 yard sweep. Northern's third touchdown came on a Greer to Norris pass play early in the second period.

With the score 21-0 in favor of Northern, Ball State finally caught enough fire to score a touchdown as a 6 yard run around end capped a short drive. The passing of Tom Greer accounted for another Northern touchdown in the second period as he hit Bolinger for a 21 yard touchdown play.

Northern scoring continued as the game went on with Finch and Warner scoring touchdowns. The extra point kicker, Denny Anspach, completed an excellent season by kicking 7 extra points running his consecutive string to 22 and giving him 23 for 24 on the season.

The Polar Bear basketball team finished another successful season with a record of 18 wins and 6 losses. Coach Marv English was once again thwarted in his attempt at the MOL crown although the bounce of the basketball could have given him and the Polar Bears the championship. With Freshman Gail Evans, veteran senior performers Lon Norris, Ron Holtrey, Jim Saunders, Fred Perkins, and Brian Karrick; and sparkplug Junior guard Mike Muterspaw forming the main nucleus, the Bears scrambled for that title right down to the final game only to lose that vital battle to Ashland in an overtime by a score of 60-56.

Gail Evans took individual honors in almost all departments topped by a 17.5 average per game, 47% shooting percentage from the field and 75% shooting percentage from the free throw line. The steady performances of Norris and Holtrey who both averaged 13 points per game and 6 rebounds apiece earned slots on the All-MOL team. Norris was also honored by the NAIA as an honorable mentioned member of their team. He is the second Northerner to receive this honor.

## *Several of ONU's better games highlighted*

A 21 straight point streak midway through the first half gained for the Bears a revenge conquest of Cedarville by a 90-58 score. Holtrey, Norris, Saunders, and Evans all hit double figures and the Bears defense held the high scoring yellow jackets to token scoring.

In a rugged do or die battle with defending Champion Defiance, the Bears won 88-81. Northern cashed in on 34 free throws for the win. Defiance was hurt by the loss of four players due to fouls.

A trip to Angola, Indiana gave the Bears a 93-57 win over the Engineers of Tri-State.

Northern continued in a first place tie with Ashland by placing a 76-57 smear on the Findlay Oiler record.

It was Urbana Night in honor of freshman Evans, Finch and Woods and the Hillsdale Dales provided the spark for the years most spectacular game. In two overtimes, Northern won 106-102.

Northern continued to win in the MOL by belting Bluffton 75-60. It was the 16th Northern win. Holtrey and Saunders led the attack for the Bears with 20 and 22 points respectively.

The Bears gave "Marv" his winningest season by giving Olivet its 60th loss in 62 games by a 73-40 score on their next encounter.

## Junior Varsity

The Bears Cubs had a spectacular season and finished undefeated with 17 wins. The Junior Bears, coached by Larry Michaels and sparked by Finch, Woods, Berry, Stone, Rader, Rohrbacher, Novak, Fletcher, Hairston, Olds, and Keller, had only two close battles and those were two 1 point victories over Wilmington.

# Golf

The 1962 golf team of Ohio Northern again made a good showing and represented ONU very well. This year their overall record stood at a very good 9-6. More important however, they won the MOL tournament and also the NAIA district #22. This is the second time in three years that ONU has won the district.

In 1962 Northern won the MOL tournament and tied with Bluffton for the season championship.

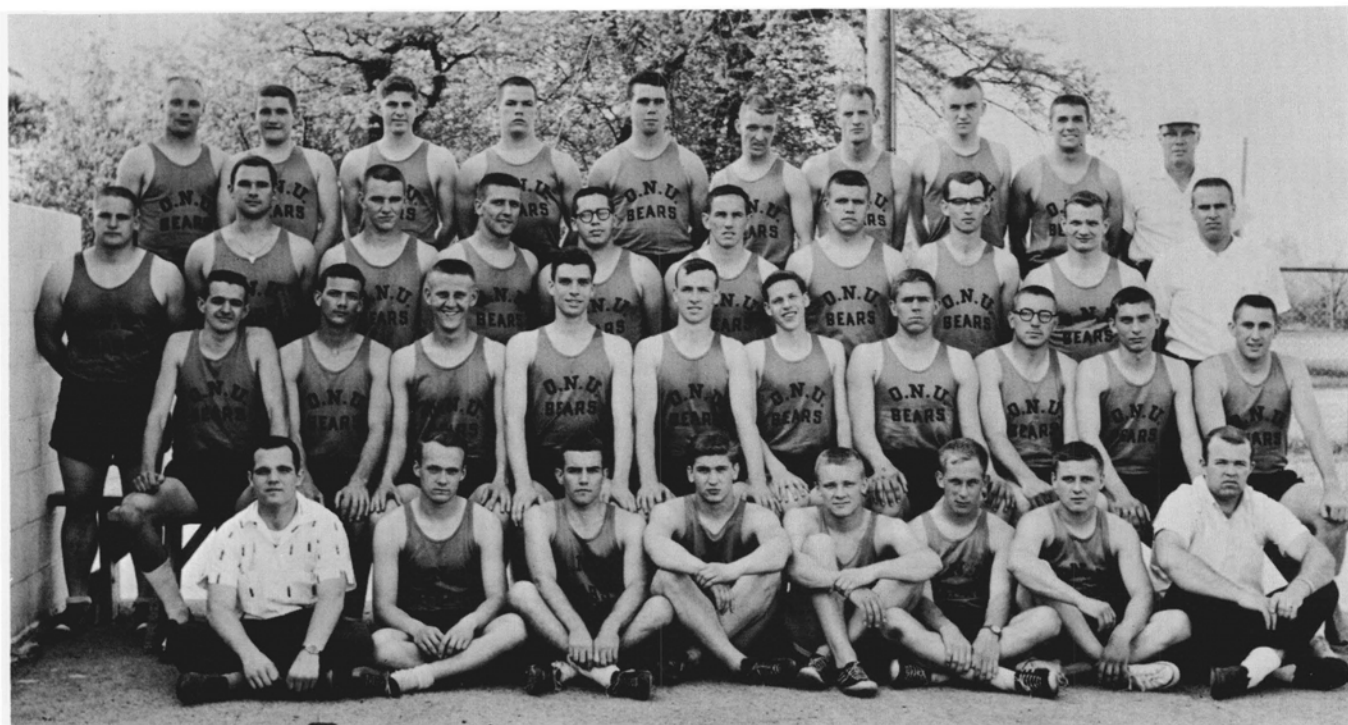

In this year's tournament Captain Donald Helton won the number one singles and teamed with Robert Heath to take the number one doubles.

Ineligible last year because of transfer, Donald Helton soon established himself as the top player on the team, going through the season undefeated in singles and losing on the first doubles in twelve dual meets. He was elected captain by his teammates.

The fifth and sixth positions on the team were rotated among James Wolfe, Douglas Geyer, and Yousef Shuhaibar. All seven have earned their letters and have won a majority of their matches.

## Track

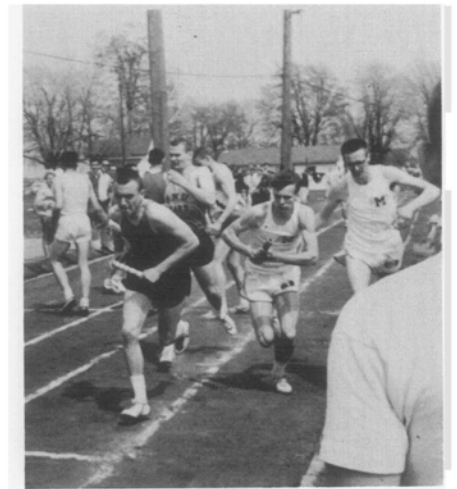

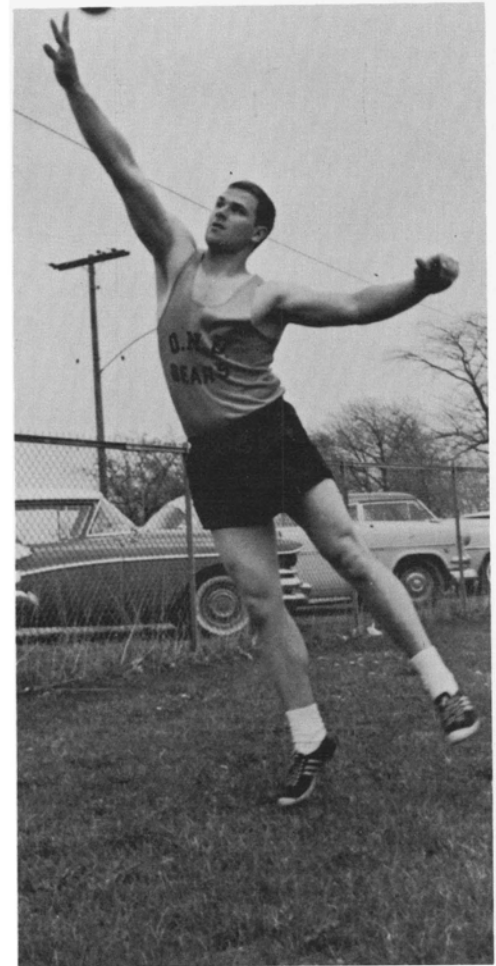

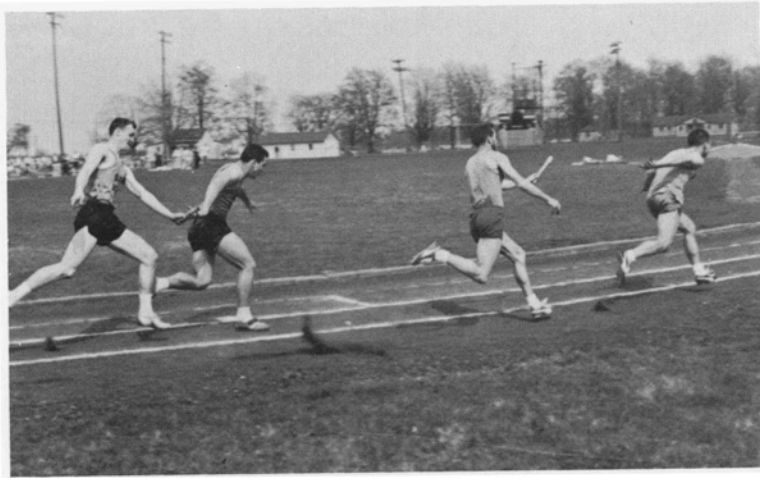

Coach Joe Banks and his track squad completed one of the best seasons in ONU track history. They were 5-2 in meets and won the MOL Relays and finished second in the MOL Meet. There was not a senior on the squad indicating an even brighter future for the track program at Ohio Northern. Coach Banks, working as hard as his squad in this revitalized sport, had four members establish new school records: Jerry Hanzie, a sophomore from Creston, Ohio, put the shot 49'  $\frac{7}{8}$ ". This was also one of the best puts in the state; Junior, George Hindall from Ada went over the high jump at 6' 2"; Junior, Jack Fulton of Newark, Ohio did the 440 yards in 50.7 and Freshman, Gary Warner from Marion sped over the low hurdles in 24.3.

The relay teams also set new school records. The Mile Relay team of Bill Norris, Gary Warner, Earl DeWerth and Jack Fulton went the mile in 3:25.9. The 880 yard relay team of Marty Paul, Larry DeVoe, Jim Decker, and Dick Trick established a new time with 1:33.8.

A strong and young track squad has taken the first year in stride of reestablishing ONU in the track picture in Ohio.

## Baseball

Northern's baseball team had a somewhat disappointing season although many bright performances were seen at certain intervals in the campaign. The team got off to a miserable start by losing the first five games to Toledo, Wittenberg, Hillsdale, and a doubleheader to Ashland. Following this the Bears swept doubleheaders from Adrian, Defiance, and Wilmington and established themselves in the race for the Mid Ohio League Championship. In a key doubleheader with the league leading Bluffton Beavers, the Bears rose to the occasion and won the first game by a 10-5 count but then blew a 7-2 lead and lost the second game 8-7. This loss broke the backs of the Bears and they were never again in the race. The season continued on the continuous mediocre and then superlative pace with a doubleheader loss to Findlay and then a slugging victory over Heidelberg. The Bears concluded their final MOL league game by defeating Cedarville 10-7 to finish the season with a won-loss record of 9 and 9. Their MOL record was

6-6 good for a fourth place finish.

The team batting average was .282 with catcher Lon Norris leading with a .408 average. Jim Turner, T. Miller, Ron Holtrey, Jerry Gross, and Gail Evans all batted above .300 for the season. The team fielding average was .920 with Lon Norris leading with a .959 fielding average.

Lon Norris, Northern's catcher, had a great season. Besides being the leading fielder and batter, he led the team with 29 hits, 6 doubles, 17 runs batted in, and 124 put outs in 156 innings played. Floyd "Papa" Seitz led the team in home runs with 3.

The leading pitcher was Dave Quilling with 3 wins and 1 loss including a 1-hit shutout against Defiance. Tom Greer also had 3 wins along with two losses.

Graduating seniors whose slots are going to be hard to fill are: Dave Quilling, Lon Norris, Ron Holtrey, "Papa" Seitz, Brian Karrick, Jerry Gross, and Herb Strayer.

## Fraternity Life

The fraternity system was started 15 years after the founding of Ohio Normal University. Through much bitter opposition Kappi Sigma died after one year of operation. Not until 17 years after its death did the Tau Nu Epsilon group appear on campus. The following year, 1905, it received a charter from the National Sigma Phi Epsilon fraternity. After this beginning an efficient greek system was started. Sigma Pi fraternity was formed in 1912, Delta Sigma Phi 1920, Kappa Psi 1920, Alpha Epsilon Pi 1923, Phi Kappa Theta 1925, Phi Mu Delta 1926, and Alpha Sigma Phi which merged from Theta Nu Epsilon in 1941.

Despite the long hard road the fraternities have travelled, the life blood is always sought after in the yearly rush, Through the co-ordination of the I.F.C. a well planned rush system takes place throughout the year, with a main emphasis placed on Fall Quarter. Only three requirements are needed to pledge a fraternity . . . A bid, a two point accumulative average . . . determination.

Alpha Epsilon Pi Fraternity was founded at New York University on November 7, 1913. The local chapter, Kappa, was started at Ohio Northern University in 1923. The largest of the eleven National Jewish social fraternities A.E.Pi now has 80 active chapters with 22,000 members.

Each year a social calendar is planned so as to insure the members of a well rounded chain of social events. The calendar for this year included the annual winter and spring formals, I.F.C. weekend, Homecoming, as well as numerous house dances and parties during the school year. Alumni are honored at Homecoming, and the parents of the brothers and pledges are honored with a banquet at the annual Parents Day.

The members of the fraternity strive to be well represented in all campus activities and organizations as well as maintaining steady improvement on the previous year's scholastic average. Many of the brothers are enrolled in the College of Pharmacy and the Fraternity is well represented in A.Ph.A. and Alpha Zeta Omega. A.E.Pi is active in numerous other organizations, and participates in all of the intramural sports.

Alpha Sigma Phi Fraternity was founded at Yale University on December 6, 1845. At Ohio Northern the Alpha Sig's maintain the dual distinction of being the oldest local group and the youngest chapter, its predecessor being founded here in 1903, and the Gamma Alpha Chapter existing since January 17, 1942.

The tenth oldest social Greek letter society and one of the original members of the National Interfraternity Council, the Alpha Sig's now claim 74 chapters and 50,000 members.

Alpha Sigma Phi and its predecessors, Alpha Kappa Pi and Theta Nu Epsilon, have claimed such famous local alumni as Benjamin F. Fairless, retired President and Chairman of the Board of Directors of the United States Steel Corporation; President Taft; Dr. Thomas J. Smull; Dean Emeritus of the College of Engineering; and Dr. Rudolph Raabe, Dean Emeritus of the College of Pharmacy. Nationally famous alumni include Arthur Fleming and Vincent Price.

Alpha Sig's currently on the University faculty and administration are Kenneth F. Martin, J. Thomas Matthews, Daniel F. Kelleher, and Marvin English, Arden Roberson, and Larry Michael.

The Alpha Sig's are well represented in both intramural sports and student activities. Traditional social affairs have been the "Apache Dance" and the "Talisman Rose Spring Formal."

Phi

Delta Sigma Phi Fraternity was founded at the College of the City of New York in 1899 and through the years has grown to be included in the top 25% of all national fraternities with 99 active chapters. In 1920 members of the Engineers Triangle Club at Ohio Northern were initiated into Alpha Eta Chapter.

The Delta Sigs are enrolled in every College of the University and participate in numerous campus activities, including keen competition in all interfraternity sports. Socially, the Delta Sigs have a well-rounded calendar, including the Winter and Spring Formals, the Pledge Dance, the Bowery Brawl, and sweater dances. Homecoming banquet saw 103 alumni present this year. Numerous banquets and buffets are held each year for senior brothers, the three sororities, and the freshman women.

Faculty members include: Chapter Supervisor, Doctor Robert Hilliard, Chairman of the Department of History and Political Science; Dean Lawrence Archer and Instructor Frank Farrington of the College of Engineering; Doctor Karl Roeder, Chairman of the Department of Music; and Instructor Gerald Messick of the Department of Physics.

Delta Sigma Phi proposes to give its members an intimate beneficial fellowship with good men which is necessary for their full development, and a supplement to their cultural and professional education.

# Kappa

# Psi

Kappa Psi was founded May 30, 1879 at the Russell Military Academy in New Haven, Connecticut. It is the oldest pharmaceutical fraternity in existence. Kappa Psi has 50 chapters throughout the United States, and is the largest pharmaceutical fraternity in the world.

Many Kappa Psi men have become leaders in their chosen field of Pharmacy. This is well illustrated by the fact that most of the deans of the colleges of pharmacy over the country are Kappa Psi. Here at Northern, Dean A. C. Smith and Dean Emeritus Raabe of the Pharmacy College are members of Kappa Psi, as are Dr. Vernon Green, Dr. James Newcomb, and Dr. Vernon Green, Dr. James Newcomb, and Dr. Bernard Grabowski.

The Gamma Delta Chapter of Kappa Psi was founded at Ohio Northern in 1920. It is unique on this campus in that it is both a professional and a social fraternity and only men entering the pharmacy college can become brothers. The fraternity sponsors many social events throughout the year beginning with the Harvest Dance, followed by various house dances, and ending with the Spring Formal held at the scenic Beatley's-on-the-Lake at Russel's Point.

Housed in a new home at 600 S. Simon St., Gamma Delta of Kappa Psi had a successful year both professionally and socially.

## fraternities

The new Catholic fraternity, Phi Kappa Theta, was formed April 29, 1959 by the merging of Phi Kappa and Theta Kappa Phi. Ohio Zeta chapter was established at Ohio Northern University April 9, 1925. The purpose of this fraternity is to provide an atmosphere of Catholic unity, to develop educational, social, and athletic standards, and to encourage an active participation of all brothers. Phi Kappa Theta works hand in hand with the Newman Club striving to maintain the Catholic standard of morality for all its men.

The fraternity is well represented in both varsity and interfraternity sports. Socially speaking, Phi Kaps are quite active and sponsor such annual events as the "Turtle Dance," Spring Formal, a pledge dance, and alumni banquet at Homecoming, and numerous house dances.

Father Francis X. Schweitzer is the spiritual advisor and Dr. Anthony L. Milnar and Mr. Albert R. Kostyo are scholastic advisors. The chapter has forty-eight active members and eleven pledges.

Phi Mu Delta national fraternity was founded at the University of New Hampshire on March 1, 1918. The Mu Beta chapter of Phi Mu Delta was founded on the campus of Ohio Northern University on March 15, 1926. The goals of the fraternity are to bring men into a close bond of brotherhood and to improve themselves morally, mentally, and spiritually.

In campus organizations the brotherhood has been very active. The brothers are well represented in all campus activities, and also take as active a part in intramural sports. Socially speaking, the Phi Mu Delta fraternity participates in a very active social calendar which consists of the Christmas Party for orphans, the winter and spring formals, the pledge dance and the Monte Carlo Party.

The Patron Saint of the Phi Mu Delta fraternity is Abraham Lincoln. Professor Ernest S. Abele, Professor Archie Hillery, and Professor Lewis C. Benton serve as the faculty advisors.

## Phi

## Epsilon

Sigma Phi Epsilon was founded at the University of Richmond on November 1, 1901. Nationally it is the third largest social fraternity with 153 active chapters. Ohio Alpha has initiated over 900 members since its founding on this campus on February 18, 1905.

The Sig Ep's occupied what is now the Terrace Building before the present house at 821 South Gilbert was constructed by the brothers in 1915-1917. It was the first house built as a fraternity house in the state of Ohio. The Sig Ep chapter is the oldest continually active fraternity on this campus.

Ohio Alpha has a well rounded social calendar, the highlights being the winter and spring formals, the pledge dance, the Artists and Models Ball, and numerous sweater dances. Banquets for alumni at Homecoming, seniors at graduation, and buffet dinners for the freshman women and the three sororities are held each year at the chapter house. The Sig Ep's are always well represented in the intramural athletics and very active in student activities.

Faculty and administration members include: Dr. Wilfred Binkley, Dr. Mathias Schmitz, Professor Robert Bowden, Professor Robert MacNaughton, Professor John West, Professor Clayton Stimmel, and Mr. Ralph McFarland.

# Sigma

# Pi

Sigma Pi is a national fraternity and was founded on this campus in 1909 as Phi Chi Psi. On June 1, 1912 Phi Chi Psi was installed as Zeta chapter of the Sigma Pi Fraternity. As a national fraternity, Sigma Pi is governed by the National Interfraternity Conference which states as its goals: (1) to provide training and discipline of the educated individual who desires to make himself a useful member of the society; (2) to share in all college responsibilities as an undergraduate; (3) to provide business training in the management of the chapter; (4) to promote diligent application to study by the fraternity member; (5) to advance moral and spiritual development of the individual.

Sigma Pi strives to make these goals an integral part of every member's daily life with a special emphasis on scholarship and college participation. Many of the members of Zeta are found participating on almost any extracurricular college function of the campus.

Zeta of Sigma Pi is a proud and growing organization that is happy to be called an O.N.U. Fraternity. The Sigma Pi house is located at 807 S. Simon Street where many social events are held each year.

## Sorority Life

Although the sororities on campus just three years ago were made into nationals, a lightly organized sorority system has been found for many years on O.N.U.'s campus. Through the Panhellenic Council a close association has been formulated by the sororities. In the year 1959, through much trouble and confusion, Phi Chi, Tau Kappa Kappa and Theta Phi Delta were changed to nationals and are now known as Delta Zeta, Alpha Xi Delta, and Zeta Tau Alpha respectively.

Sorority life is a pleasant and valuable part of college education. A sorority is a good investment and

has many advantages to offer a rushee. It is a sisterhood where women get to know each other better, learn to work together, and begin to share each other's joys and disappointments. Rush parties start the last week in October and end second week of January.

# sororities

Alpha Xi Delta sorority was founded at Lombard College, Galesburg, Illinois on April 17, 1893. Gamma Tau Chapter was established at Ohio Northern University on May 16, 1959. The goal of Alpha Xi Delta is to seek to cultivate a true spirit of friendship among its members that encourages, aids, and protects its members by all honorable means during life, and maintains in all acts the highest sense of honor and duty.

Socially, Alpha Xi Delta is very active holding all-campus dances, a pledge dance, the annual "Winter Rose Formal," as well as participating in rush and other campus functions. The Homecoming Alumnae Tea and the Founders Day Dinner are also held by the chapter with the assistance of the Ada Alumnae Club, and a Senior Breakfast is held in honor of the graduating Gamma Tau Seniors.

The advisors include Mrs. A. C. Smith, Mrs. Anthony Milnar, Miss Nancy Stroh, Mrs. Hildred Jones, and Mrs. Archie Hilley. Faculty members include Dr. Anna Koffler.

Delta Zeta sorority was founded at Miami University on October 24, 1902. It is the largest national sorority with 137 chapters. Zeta Kappa chapter was established on the campus May 16, 1959. Before that time the sorority was a local one called Phi Chi.

Delta Zeta participates in all campus events such as Homecoming, Greek Sing, and Greek Skit. Annual events include Dad's day in the fall, winter formal, the Beachcomber dance, the Ugly Man's contest at Campus Chest, and the Mother-Daughter Banquet in the Spring. Each year at Christmas, the sorority goes caroling to each fraternity house and some of the homes of the sick and aged in Ada, ending up at the home of their advisor, Mrs. Karl Roider, for the traditional Christmas Party with their alumnae.

The local philanthropy project is the Red Cross Bloodmobile which visits Ada each fall and spring.

Delta Zetas are active in the choir, band, Student Government, and intramural sports.

## Zeta Tau Alpha

The Zeta Tau Alpha Sorority was founded on October 15, 1898, at Longwood College in Farmville, Virginia. The local Theta Phi Delta at Ohio Northern became the 105th Chapter of Zeta Tau Alpha on October 9, 1959. There are now 109 Chapters throughout the United States.

Each year at Homecoming the Zetas place a candidate for Queen on the ballot and enjoy taking part in the sorority pushmobile races. This year a new event was added to the social calendar—Dad's Day. This special day was highlighted by treating all the Dads to one of Northern's football games and a lively get-together afterwards. Attention was then given to the freshmen and rush was in full swing. All-campus dances of various themes were held throughout the year, the climax of them being the winter formal and the selection of the Z.T.A. sweetheart.

Athletically speaking, Zeta spirits were high for the volley ball and basketball intramurals.

During spring quarter, the May Day activities kept Z.T.A. busy with float building, participating in Siglympics and running candidates for May royalty. Then towards the end of the year thoughts turn to honoring the Moms and a Mother-Daughter banquet was held.

In addition to the many social events in which the Zetas participated, they collected clothing, money and food for the needy on "Beggars Night" and during the Christmas season went Christmas caroling. The Zeta Tau Alpha philanthropy is cerebral palsy, to which they contributed much this year.

As the Zetas look forward to much happiness and prosperity in the coming years, this one will be remembered as one of the happiest.

# Pan-Hellenic Council

The Pan-Hellenic Council is the governing body of the three sororities on campus. The council is composed of the president, one other delegate, and the advisor of each sorority, and the Dean of Women.

The council supervises the rushing, pledging, and initiation of the sororities. It attempts to maintain friendly relationships among the sororities and with the university. It also serves as a discussion forum for problems pertinent to sorority women, the IFC, and the administration.

Pan-Hellenic works with Student Council regarding Homecoming and May Day campaigns, and it governs Homecoming pushmobile races, May Day float competition and Sig-Olympics, Greek Sing and Greek Skit. It sponsors the Tri-Sorority formal held in spring quarter and the scholarship trophy given to the sorority having the highest point average for six consecutive quarters.

The Interfraternity Council or I.F.C. is the governing body behind our eight fraternities here on Ohio Northern's Campus. The I.F.C. is composed of sixteen members, each fraternity having two delegates.

The I.F.C. maintains good interfraternal relations among all the fraternities and promotes good will in general. The I.F.C. controls rushing, pledging, and Help Week activities.

Being comprised of eight social organizations, the I.F.C. sponsors a number of combined social activities for the fraternity men. Each year it organizes Greek Sing, Greek Skit, and of course, the I.F.C. Ball, to climax its social calendar.

The fraternities also lend their willing support to all campus functions, such as Homecoming decorations, May Day floats, and Campus Chest. The University can point with pride to the fraternities for their good citizenship and all-around support.

The Student Council at Ohio Northern is the primary group of student government. Its purpose is . . . "to promote fellowship and scholarship; to work cooperatively with the faculty, administration and Board of Trustees for the betterment of the University; and to create a united campus spirit for the social, educational and spirited advancement of all . . ."

The responsibilities of the Student Council require much of the time and effort of the Council members. The Council is responsible for the appointment of members to the Board of Governors, Adelpian Society, and "Who's Who in American Colleges and Universities." It also plans and supervises, with the advice of the Dean of Students, Freshman Week and the Homecoming day and May Day festivities each year.

## Student Council

Student Activity Council, under the chairmanship of Dean Miller, supervises and regulates student activities on the Ohio Northern University Campus. Publications, intramurals, orientation week, Campus chest, student parking and various other important student activities are under the general supervision of student activities. This Council also has the responsibility of recommending to the Ohio Northern University administration budget allotments to all student supported activities.

The Board of Governors, elected by the Student Council and the Treasurer of the University along with the Dean of Men and Dean of Women, is the legislative group of the Student Center.

The Board controls and distributes the Student Union fee paid by the student body. The Board also sets up the rules for the Student Center and acts as a judicial body to impose penalties upon groups or organizations who misuse any of the facilities of the Student Center.

## Athletic Council

The Athletic Council, under the chairmanship of Athletic Director Clyde Lamb and with the assistance of Professor Bowden, Professor Benedict, Dean Smith, Dean Archer, Dr. Jones and Dr. Markle, is responsible for making the athletic awards as well as approving athletic schedules for intercollegiate sports.

The Athletic Council also plans and officiates the Annual flagpole rush on Homecoming, and the Tug-of-War contest on May Day.

# Religious Council

The objective of the Religious Council is to coordinate the religious life with the campus life. The Religious Council seeks to fulfill this objective mainly through the Religion-in-Life-Week program. In this project it endeavors to bring to the campus an outstanding personality in the field of religion. In order to more fully develop this program members of the clergy, representatives of various professions and members of the university faculty also serve as resource leaders. However, the activity of the Religious Council is on a full year's basis. Plans are formulated throughout the year for the various religious activities on the campus.

The Religious Council is composed of the student chaplains of the social organizations, the staff of the University Chaplain's office, representatives from the dormitories, several members of the faculty, and members of the Administrative Committee of the University.

The Newman Club, which at the present time is under the supervision of Father Francis Schweitzer, is one of the oldest campus organizations on Ohio Northern's Campus. The purpose of this organization is to give the Catholic Students an opportunity to receive instructions, not only in their faith, but also in current church events.

Throughout the year the Newman Club maintains a program of lectures, social activities, and participation in all intramural sports.

Elections of officers are generally held in April and the formal installation takes place at the annual banquet in Lima.

Wesley Fellowship is an all-campus organization designed to offer religious experiences to all Protestant students. It is a vital part of the Methodist Student Movement of the Methodist Church. Faculty and students alike are invited to participate. Through its weekly worship services and programs, Wesley Fellowship endeavors to broaden the experiences and deepen the individual's religious convictions. Its objective is to offer an atmosphere of Christian Fellowship.

The programs of the organization are varied and include such activities as a fall retreat, movies, square dances, and Christmas Caroling. Last year the Wesley Fellowship sponsored the Seminar to Europe. The yearly membership of the organization averages 150.

### Canterbury Club

The Canterbury Club is a co-ed group, founded at the Ada Episcopal Church. The club is a very vital part in the religious life of all those who attend. The group meets weekly and is open to all students. The weekly program consists of a devotion period, planned by members of the group, a discussion and planned recreation. The discussions cover a variety of topics of current interest and are conducted as informal discussions by noted authorities or by students themselves.

### John Knox Club

The Knox Club, a co-ed group, founded at the Ada Presbyterian Church to meet the needs of the college age group, was named by the students after the Protestant pioneer and founder of the Presbyterian Church, John Knox.

The Sunday evening program generally consists of a supper, a devotional service, a discussion and planned recreation. The devotional service is composed and conducted by members of the group. The discussions, which cover a wide variety of topics of current interest to the group, are conducted as informal discussions by noted authorities or by the students themselves.

## Polaris

As the campus literary magazine, the "*Polaris*," strives to set forth literature that will both entertain and delight its readers. During its sixth year of publication, poetry, short stories, art work, essays, and plays have come to life by the skill and imagination of many Ohio Northern students. All of this creative art was compiled and prepared for publication by the editor, Ruth Luoma, and her staff.

Besides publishing the "*Polaris*" quarterly, the staff also co-sponsors the annual Miss Northern Dance. At the end of each school year a banquet is held in honor of the "*Polaris*" and the students who have made it possible.

Miss Frances Bennett, associate professor of English, is advisor to the publication.

*The Writ* is published quarterly by the Ohio Northern University Junior Bar Association. Its first publication was during the **1957-58** school year and it has been published quarterly since that time.

The primary purpose of *The Writ*, is to keep Ohio Northern's law graduates in contact with the law school and their fellow graduates. *The Writ* reports on the activities of all law school organizations and on the official functions of the law school. By previous projects of seeking information on past alumni, *The Writ* has an efficient working knowledge of past graduates of Ohio Northern University's Law School.

*The Writ* is dispatched to all law schools in the country.

The *Ampul* is a quarterly journal issued by the American Pharmaceutical Association from the College of Pharmacy. The *Ampul* has been published since spring quarter, 1952. The purpose of this periodical is to inform the alumni of new changing events in the College of Pharmacy; and to keep in contact with the past graduates. The journal is distributed to all alumni of the College of Pharmacy and all students. Each *Ampul* staff strives to publish a journal that will strike the interest of all those concerned to Pharmacy.

# Northern Review

The Northern Review published its first paper under the editorship of William D. Robinson on September 21, 1915.

With the origin of the Northern Review, the main objective was to give O.N.U. a genuine college paper, written by the students, and devoted to the best interests of ONU. This objective is still maintained in the present Northern Review, which has been acclaimed as a paper of First Class Honor Rating by the Associated Collegiate Press.

The annual, just as is any other campus publication, is a large responsibility and requires a great deal of time and effort. The staff works under the never ending pressure of that next deadline and, despite all, usually discovers that it has passed before the copy is rushed to the post office.

Although plagued by many troubles, the sectional editors managed to wade through the typical journalist's nightmare, and come up with a well-organized, if sometimes slightly behind schedule, year book.

Now that the end is here and we all wait anxiously for the book to arrive a certain feeling of pride and accomplishment is possessed by so many for so long.

## ONU Marching Band

Under the direction of Lowell Weitz, the ONU marching band presented programs at all the home football games and one away game this past year. One of the highlights of the season was honoring the fraternities and the sororities with a special show for the Homecoming game.

Beginning with winter quarter, the concert band took over and presented two concerts, one at Christmas and the other in the spring.

The Modernettes, a stage band directed by Lowell Weitz, is a group of interested instrumentalists meeting once-a week who play for several dances throughout the year, including the Choral Cabaret.

# M.E.N.C.

Under the advisorship of Dr. Karl Roider, the Music Education National Conference supervises the Choral Cabaret, as well as numerous student festivals in the high schools of the surrounding area. The individual members exemplify their versatility by belonging to the Choir, stage band, and by serving as student soloists and accompanists for campus organizations. They also direct dance bands off campus, church choirs in Lima, and serve as church organists. This organization strives to recognize those in the field of music, for both individual and professional benefit.

## music and theater

The Jazz Club is a newly organized group on the **ONU** campus. The members are striving to add a new extra-curricular activity for all those who are interested in the Jazz aspect of music.

Although the membership at the present time is not very large, the club hopes that by their accomplishments in the future will build them up to one of the larger musical groups on campus.

The Jazz Club meets bi-weekly and discussions are heard about the current events in the Jazz field and future Jazz events on **ONU** campus.

ham, Bob McCurdy. RECORDING BASS: Al Haga. STRING BASS: Jim Halderman. PIANO: Neil Frasca. PERCUSSION: Dave Rankin, Owen Moore. DTRECTOR: Lowell E. Weitz.

The Modernettes are Ohio Northern's experimental group, offering training and experience for those interested in STAGE BAND work. The members are encouraged and aided in doing their own arranging and scoring, thereby offering another avenue of approach to free composition. Appearances for campus events such as the CHORAL CABARET, plus many off-campus programs, add to the practical value of the organization and make it one of the most popular musical experience activities on campus.

## Northern Players

As the dramatic organization on campus, Northern Players endeavors to offer to any student who is academically qualified and who has an interest in theatre arts extensive opportunities in the theatrical field.

The Players conduct several minor productions in lab theatre. This year among the more popular plays were *J.B.*, *Night Must Fall*, and *Blithe Spirit*. Three major productions given fall, winter, and spring quarter, are varied so as to offer beneficial experience to everyone.

A banquet at which awards are presented to those who have proved most deserving throughout the year, both dramatically and technically is sponsored each spring quarter to climax the theatre season.

Northern Players provides an opportunity to earn the necessary merit to achieve this honor by working in conjunction with Theta Alpha Phi, an honorary dramatic fraternity.

## Theta Alpha Phi

Theta Alpha Phi, a National Honorary Co-Educational Dramatic Fraternity, gives honor to those who have contributed generously to educational theatre on college campuses.

The fraternity holds alternating regional and national conventions, at which students can exchange chapter ideas and gain more knowledge of theatre in general.

Theta Alpha Phi, which is connected with the Northern Players in presenting major productions, sponsors entertainment for local clubs and organizations.

Membership, being based on the point system, is obtained by participating in major productions. A person must have two-hundred points to become a pledge. As a pledge, a person must obtain four hundred points in order to become active.

Clair Myers, President; Marlene Allen, Vice President; Lois Tittle, Dan H. Aultman.

## honoraries

Alpha Phi Gamma, the co-educational honorary journalism fraternity on Ohio Northern's campus, has as its purpose the recognition of individual ability and achievement and the promotion of the college through journalism. Activities in the past year include the Miss Northern Dance, and teas for Roth Tooze, the noted children's author, and Harry Golden, famous author and newspaper editor. The chapter edited the Freshman Handbook, *Northern Light*, and took field trips to the Lima Citizen and a Findlay publishing company.

Alpha Phi Gamma was founded here at Ohio Northern University in 1919 by five staff members of the Northern Review. It now has 42 functioning chapters located in 16 states and sponsors a journalistic fraternity for junior colleges, Beta Phi Gamma.

Alpha Phi Gamma was founded especially for colleges without complete schools of journalism. It fills an important position in this respect on our campus.

Nu Theta Kappa is Ohio Northern's honorary engineering association. Since it was organized here in 1915 it has bestowed distinction upon students of high scholastic standing in the engineering college.

To be admitted into the association one is required to be in the upper 12%% of the junior class or upper 20% of the senior class. Other than scholarship, one must prove himself to be interested in other activities beneficial to the betterment of the society and community in which he lives. This free expenditure of his time and energy toward others makes him eligible to become a candidate for this association.

## The Adelphians

Originally having its inception by H. S. Lehr in 1871 as a literary society, the Adelphian Society was refounded in 1955 as a senior honorary. The society was formulated so as to give recognition to students who have given outstanding service and leadership in extra-curricular activities. Originally a literary and social force on the campus for over four decades. The society now endeavors to furnish incentive for greater participation in campus organizations and thus provide more school spirit. These students are an exemplification of the high standards set by the society. Election to this society is by vote of an especially-delegated Student Council committee.

# Who's Who

Each year a group of outstanding students are selected to represent Ohio Northern University in the annual volume of *Who's Who Among Students in American Colleges and Universities*. Nominations are made through the combined efforts of the administration and the Student Council on the basis of scholarship, participation in extra-curricular activities, leadership on the college campus and promise of future usefulness. Each of the colleges of the university is represented.

Kappa Kappa Psi is a national honorary band fraternity founded at the University of Oklahoma in 1919 and now has chapters throughout the country. Sigma Chapter at Ohio Northern was chartered in 1923 by members of instrumental groups on campus. Their aims were to promote and improve the quality and performance standards of band music in colleges and universities throughout the United States. Though few in number the brothers of the local chapter are serving the band director with administrative details, thus permitting him to concern himself chiefly with musical problems.

## Kappa Epsilon

The Psi Chapter of Kappa Epsilon National Fraternity for women students of pharmacy, was officially installed on our campus on December 4, 1957.

Dr. Anna Koffler, advisor of the group, has taken great pride in firmly establishing this fraternity on our campus. The primary purpose of this professional fraternity is to unite the women students of pharmacy helping each to become a greater asset to the college of pharmacy, the university, as a whole, and the ethics of the pharmacy profession. One of their greatest functions is their financial aid through loans to women students, who need help in financing their education. They also have many other projects to raise money for and in other ways help the profession in foreign lands.

Kappa Epsilon is a sister organization of Kappa Psi Pharmaceutical Fraternity for men.

# Phi Delta Chi

To advance the science of pharmacy and its allied interests and to foster and promote a fraternal spirit among its members is the prime purpose of Phi Delta Chi.

The Alpha Upsilon Chapter was recognized at the Ohio Northern University on March 2, 1955, and is one of the youngest chapters affiliated with the Phi Delta Chi fraternity.

The highlight of the year for the Phi Delta Chi's was the purchase and remodeling of their new house on South Main Street.

Since its formation in 1876, the American Chemical Society has increased steadily in size, prestige, and value to its members and to the public. In order that undergraduate students interested in chemistry or chemical engineering might gain some insight into the professional side of their chosen careers, the society in 1937 authorized student affiliates. The local chapter of the Student Affiliates of the American Chemical Society at Ohio Northern was founded in 1954. Any undergraduate enrolled in a course leading to a degree in chemistry or chemical engineering is eligible. Members have an opportunity to hear speakers discuss topics in their field and the chapter also sponsors field trips throughout the year to points of interest. Membership encourages stimulation in scientific thinking and provides an opportunity to investigate areas of interest to affiliates.

## Phi Beta Lambda

Phi Beta Lambda, previously known as the Future Business Leaders of America, has had a tremendous growth in the last year.

The fraternity strives to provide additional insight in business operations to students of business administration and education. To facilitate this endeavor most meetings include a guest speaker, engaged in some form of business, who addresses the group on topics of direct concern to them. Mrs. Ritz is advisor for the group.

# ONU Engineers Speakers Association

The Ohio Northern Engineers Speakers Association has been an active organization since the spring of 1935.

The belief that a good manner of speaking can be accomplished by practice is shared by the members. By delivering both prepared and extemporaneous speeches, the members learn to present their ideas to an audience. A critical analysis by the other members enables the speaker to correct any errors and improve his delivery. The final goal of the organization is to prepare the members for any speaking situation that may arise and allow the future engineer to communicate fluently with his fellow members in society.

This emphasis illuminates the fact that the ability to adequately convey ideas, and express oneself are as vital to the engineer as his slide rule and math tables.

# professionals

The Ohio Northern Student Chapter of the American Society of Mechanical Engineers was originally chartered in 1922 and, with the exception of a brief interval, has been active on campus since that time.

The purpose of the society is to create a professional awareness and fellowship among engineering students, and to provide an insight into the type of problems that may be encountered in actual practice. Monthly meetings are held in which technical reports by guest speakers from industry are presented in order to supplement the material offered in the regular curriculum. In addition to the monthly meetings the members participate in industrial inspection trips, attend meetings of the Toledo Section of the American Society of Mechanical Engineers, share in the National Engineers' Week, February 11 to 17, 1962, and present technical reports at the annual regional conference of the American Society of Mechanical Engineers.

The Student Chapter of the Ohio Society of Professional Engineers embrace all departments of the College of Engineering. The purpose of this organization is to stimulate professional thinking among all engineering students through social contacts, fellowship, and co-operation; to promote interest and understanding; and maintain the ideals of the engineering profession.

Speakers, movies, and discussions in the monthly meetings deal with the professional standards, code of ethics, and the individual's place in the advancement of the profession.

The chapter takes an active part in National Engineers' Week and is represented in the O.B.P.E. Student Council.

## AIEE

Being founded at Ohio Northern in 1912, the student branch of the American Institute of Electrical Engineers is the oldest branch of national technical society on campus. It stood alone until in 1957 it joined with the IRE, a national organization of radio engineers, to form a joint AIEE-IRE student branch.

The object of the societies is to advance the theory and practice of electrical engineering, and the maintenance of a professional standing among its members. They meet once a month to discuss problems relating to their fields of endeavor. At each meeting technical speakers are heard and often movies and slides are shown.

# ASCE

The Ohio Northern Student chapter of the American Society of Civil Engineers provides the student members with an opportunity to become familiar with the Civil Engineering profession and practices. In addition, the organization strives to provide opportunity for all the members of the civil engineering department to become acquainted, promotes a spirit of congeniality, and provides topics of interest to civil engineering students.

Technical progress in the field of civil engineering is provided by guest speakers invited to speak before the group on topics of direct concern to them.

The chapter's activities include Engineers Week, field trips, and participation in the North Central Conference of A.S.C.E. student chapters at the University of Dayton.

The Marshall Senate of Delta Theta Phi is now in its 50th year on the campus of Ohio Northern University. During that period of time, the fraternity has devoted itself to a high degree of scholastic and social activity.

This year has been no exception. Again this year the Delta Theta's have been well represented on Student Council and other governing bodies on campus.

On the social scene, the fraternity has also been very active. The annual rush party was held again this fall, in addition to a party given for prospective pledges and their wives. Several initiation parties were given throughout the year as well as the various socials held each quarter.

Phi Alpha Delta came to Northern's campus in 1960 when the former Sigma Delta, Kappa members formed this new group. Rapid progress has been noticeable since their first year.

The local chapter has been active in furthering both high scholastic standards and social relations among its members. The prime purpose is to better prepare its members for their chosen professions, to broaden the horizons of that profession, and to promote the elements; cooperation, responsibility, and good fellowship; never forgetting that the practice of Law is based on the adversary.

## Les Advocates

Les Advocates is an organization of law students dedicated to increasing and perfecting forensical skills. Meeting bi-monthly, this group debates interrogatories presented by the judicial committee. All interrogatories must meet high objective standards and be of such a nature that a sound knowledge of the basic principles of logic, cyrogenics, parapsychology, philosophy, metaphysics, rhetoric, and space-law may be intermingled with legal principles derived from intensive case study. In this manner, each member gains an insight into the views and opinions of fellow students, thus sharing in the rich educational backgrounds acquired by them.

Lincoln Chapter of Les Advocates was founded at Ohio Northern University in 1911 and is one of the 47 chapters spread throughout the United States and Canada:

The popularity of Les Advocates and interest therein increased with the retiring of the Cardozo Trophies in 1960 and the Huron Head Trophy in 1961, the highest awards given in the field of legal debate. This year's legal aspirants again captured another trophy, The Bench of the Privy Council, by capturing First Place in the Woolsack Assizes held at Flushing, New York.

# Junior Bar Association

The Junior Bar Association is an organization to which every student of the college of law belongs. The objectives of the organization are to provide training and advancement, to serve as a forum for discussion of existing problems, to promote harmony and understanding among the faculty, students and alumni, and to develop and further scholastic attainment.

One of the features of the J.B.A. is its Lecture Series. Approximately once a month, one or more lawyers are invited to lecture on some aspect of the law. These lectures are usually well attended and are quite helpful in creating a link between the theory of the classroom and practical application of the practicing attorney.

The J.B.A. has a dance during the winter called the Barrister's Ball. This is an annual affair. The organization also conducts mixers for the new students at the beginning of each new school year and for the alumni after the homecoming football game. The outstanding event of the Spring quarter is the Law Day banquet which usually occurs around May 1st.

## professionals

The Ohio Northern Industrial Arts Club was organized in 1948 for all students majoring or minoring in the field of Industrial Arts Education, and for those who plan to enter industrial supervision. The purpose set forth in the constitution of the club embodies the promotion of a wide exchange of ideas and opinions, and the hearing of outside speakers.

The meetings serve to unite the members and advisors of the Industrial Arts Field. Toward the end of the academic school year the club takes an excursion to an industrial center and tours various large manufacturing concerns where fabrication and mass production processes of products are observed.

## Welfare Club

The ONU Welfare Club was formed by students in this area to foster high standards of training and practical application of the ideals and goals. They have fulfilled certain requirements and as a result have been voted into a national society.

The Welfare Club has been accepted as Gamma Chapter of Phi Alpha, national honorary society in the field of social work. Installation will take place the end of the school year.

Dr. David Markle, sociology department chairman and member of the national committee of Phi Alpha, has been named installing officer for the ONU Chapter. Professor Robert Crider is faculty advisor.

# Rho Chi

Rho Chi, the most recent honorary society, was formed on May 10, 1962. It is the highest honor society in the field of Pharmacy.

To become eligible for membership, a person must have a 3.0 average and have 30% of his work complete. Only a person with a degree in pharmacy or one who is working toward a degree can join the fraternity.

The faculty who were already members are: Dr. Gabowski, Dr. Green, Dr. Lee, Dr. Newcombe, and Dr. Bianchi. The faculty who were initiated were: Dean Smith, Mr. Benton and Mr. Gorby.

The Physical Education club was formed seven years ago in 1954. Barney Poole was the faculty advisor.

Some of the objectives of the club are to provide fellowship for the majors, to provide game and recreational experiences which may be useful in physical education careers and to promote public relations between the physical education department and the other departments of Ohio Northern.

Some of the projects and annual events of the club include selling concessions at the basketball games and providing recreational activities for the children of the faculty.

The John Davidson Chapter of the Student Education Association was founded at Ohio Northern University on November 17, 1941.

The S.E.A. is the basic unit of professional organization for college or university students preparing to teach. Membership in S.E.A. helps the prospective teacher become acquainted with professional journals and prepares the student to actively participate in the teaching profession, while obtaining some specific suggestions concerning how to deal with problems related to classroom experience.

## International Club

The International Club was founded at Ohio Northern University to promote understanding in the field of foreign affairs, especially among foreign and American students on campus. Membership is open to all students, faculty members, and persons connected with Ohio Northern who are interested in the objectives of the organization.

Professor Abele, faculty advisor, stresses the fact the club is open to all students, not just those who are from other countries.

The individual members of the club are invited to speak on their native countries at church groups and clubs in the area. Many of our faculty members are active in the club and contribute their talents to make the meetings more enjoyable. Some of the countries represented in the club are: Korea, Pakistan, India, Greece, Venezuela, Peru, Japan, Indonesia, Nicaragua, and the United States.

# Independent Students Association

One of the newer organizations on ONU's campus is the Association of Independent Students. Its primary purposes are to promote student-faculty relations, provide social association, and represent the interests of the independent student on the Campus.

An annual project of the Independents is participation in Homecoming festivities. Various dances are held during the school year by the Independents and are successful with the attendance soaring. Since formation during the 1960-61 school year, there has been constant growth in membership. The Independents, an organization for service to both student and university, are looking forward to future growth with Ohio Northern.

Even though there was always a show of plenty of desire and good sportsmanship, this year's Hockey team did not break into the victory column. Although the team carries most of financial load and the university supplying the remainder, each year these men form a team playing under the Ohio Hockey Association rules. The main disadvantage of this club is, of course, the lack of the access of nearby rink. In the very near future it is hoped that Hockey will become a main department of Ohio Northern's Physical Education Program.

The Debate Team, recently reorganized under the direction of Mrs. Georgia Spelman, is an outgrowth of extended course work in the field of speech, voice and diction. The members are taught the essentials of the art of debate and participate in contests with other Ohio colleges.

In the future, Mrs. Spelman and her enthusiastic associates hope to establish this as a permanent organization on campus, feeling that it will be a beneficial extracurricular activity and extend Northern's facilities for enterprizing speech and drama students.

## Association of Women Students

The Association of Women Students on the campus of Ohio Northern University is an organization to promote the spirit of unity and fellowship among the women of the University. The organization is open to all women enrolled at Ohio Northern University. Each class elects a legislative group to represent them to AWS Board. These women plan the activities of the group for the year.

In the past the AWS Board has provided magazines for the dorms and also vacuum sweepers and cleaning utensils for each floor of the dorms.

# Women's Recreation Association

Women's Recreational Association has a state and national membership. The objectives are both social and sport-wise. Membership requires participation in intercollegiate sports, attending social functions, handling concessions at football games, supervising intramurals, preparing the annual All-Sports Banquet, camping, All-State Team's Tennis Tournament, and various recreational sports for the benefit of the individual.

# President

Our president, Dr. F. Bringle McIntosh is leading Ohio Northern University into what is expected to be a great era. If he succeeds, it will be an institution of higher learning numbering not more than two thousand students and not fewer than one thousand five hundred. Dr. McIntosh places emphasis on "increasing quality" and not size.

Just prior to taking over Ohio Northern in 1949, Dr. McIntosh was the superintendent of the Methodist Churches of Toledo. Previous to this time he was an educator in Indiana and Nashville, Tennessee.

President McIntosh was elected president of ONU in 1949 after an illustrious church background which included degrees from DePauw University, Boston University and Rio Grande College. Until his election to the presidency of ONU, Dr. McIntosh was a trustee at Ohio Wesleyan University.

Dr. McIntosh maintains a unique humbleness in performing his duties as chief executive of the university. He takes a genuine interest in every student's life and is never too busy to pause and give a cheery "hello" to every student.

He is a member of the ATO fraternity, Kiwanis Club and Masonic Lodge. These are in addition to his numerous church and education affiliations.

In 1898, the Electrical Engineering Department graduated its first electrical engineers. The Department of Mechanical Engineering had its first graduate in 1904. Dean Archer of the Engineering College was the youngest dean of an engineering college in the country when he took office in 1951. Dean Archer has reason to be proud of this ever expanding college which now has more than twenty-four hundred graduates in its 75 years of existence.

## Law

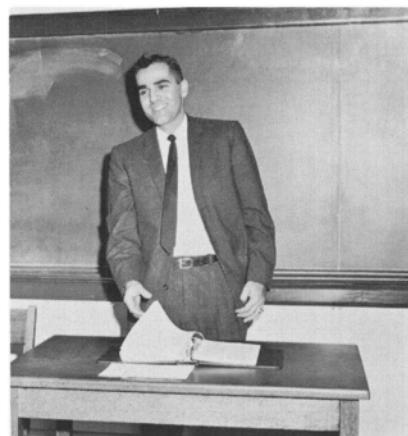

The College of Law is in its seventy-fifth year and numbers among its alumni many distinguished judicial leaders. Although the courses in the college are planned primarily to prepare students for the practice of law, such courses may also be pursued advantageously by anyone desiring to acquire a knowledge of the principles and history of law; either as a part of a liberal education, or as part of a foundation for a career in government or in business. Courses are offered in all subjects included in the Ohio Bar Examination, and various electives may be pursued in the course of study. Among the advantages offered by Northern's Law College is individual contact with instructors both in and out of the classroom, and a small community environment conducive to good study habits. Dean Eugene Hanson heads Law School and has been at ONU since 1947, when he joined the staff.

It is the oldest college on the campus and is an ever expanding one. Formerly a history professor at the Inter-America University of Puerto Rico, Chaplain College and Hofstra College, Dean Oscar G. Darlington is at the helm of the Liberal Arts College. The Dean freely offers personal guidance in helping to fit the student for responsible citizenship.

## Pharmacy

In 1885, Ohio Northern's College of Pharmacy was founded and has the distinction of being the second pharmacy school in Ohio. It is a member of the American Association of Colleges of Pharmacy and maintains an "A" rating as accredited by the American Council of Pharmaceutical Associations. All students planning to receive the Bachelor of Science in Pharmacy degree follow a five year program. Through advice and encouragement, pharmacy students are adequately prepared to meet satisfactorily the professional and cultural demands expected of pharmacists, and to carry their share of the responsibility of public health, welfare, and education in their respective communities. Albert C. Smith, Dean of the Pharmacy College came to the ONU campus six years ago. Dean Smith had been on the faculties of Purdue, University of Tennessee, and Ferris Institute in Michigan. The dean has conducted almost every course in the college during the last twenty-nine years in the teaching profession.

**THE BUSINESS STAFF  
OF THE  
NORTHERN  
YEARBOOK**

**idea man . . .  
the Keller yearbook  
representative**

JOHN W. LANDRY

To the casual reader a yearbook is often simply an "album" of pictures with accompanying identifications and enough written text to fill up the remaining holes on the pages. Merely ink on paper . . . though nice to own and enjoy.

But to the staff and the adviser the yearbook means much more. For yearbook work comprises a multitude of details: Layout, Art, Photography, Copy, Typography, Covers and Binding (not to mention the small detail of money-raising). Highly technical and often confusing, these details are at the very least time-consuming and a source of anxiety to a staff unless the publisher's representative is company-trained to give needed help and suggestions.

All representatives for Wm. J. Keller Inc. are skilled in the many facets of yearbook work, having at their finger-tips the answers to yearbook problems as well as a multitude of ideas for new graphic arts special effects, to enable the staff to produce a yearbook that is different and attractive. Your Keller salesman is more than a technical adviser, he is a "clearing-house" of yearbook ideas.

Northern Yearbook  
Ohio Northern University  
Ada, Ohio

Dear Students:

Another great year at Ohio Northern has ended and is gone forever. In it there have been many ups and downs, happy moments and sad ones, good times and some not so good. All this has made a year which you will always want to remember. I hope that my staff and I have presented to you a yearbook which will enable you to remember this past year,

I would like to thank the many people who have been responsible for making this yearbook possible. I can not thank my section editors enough or the typist and all of those who assisted them. It is hard to single out any individual when so many have helped so graciously, but I would like to express my special gratitude to Suzanne Dye, Mary Jane Schneiter, Jerry Balser, Joe Ciminillo, Judy Truitt, Dick Trick, Donna Madley, Pat Gray, and Prof. John West. Also I wish to thank my advisor, Prof. Eugene Belch, who unfailingly aided and guided me and to the Keller Publishing Company representative, Mr. John Landry who also gave invaluable suggestions and assistance,

As the introduction to the main part of the book suggests, here is the "NORTHERN." I hope you have enjoyed it and will continue to enjoy it in the years to come. A yearbook is a time consuming, complicated, and hard production to produce, and I only hope that my efforts are to your liking and that this book may become a lasting and rewarding part of your life,

Sincerely, your editor

Dick Gerhardt

## Memoriam to

**DR. THOMAS JEFFERSON SMULL**

Few men have known or served Ohio Northern in a manner to compare with Tommy Smull. He has been a part of the destiny of his alma mater and her students for sixty years. From his graduation in 1904 he had helped chart the course as dean of engineering, executive secretary and business manager.

As a student he had led the movement to change the name from Ohio Normal University—with the sound reasoning that engineers didn't want "a normal school diploma."

He was a great athlete and as a member of the faculty was recognized as "Father of Intercollegiate Athletics" at ONU. He helped organize the Ohio Conference and served as its president in 1943.

Following his retirement from ONU in 1942 at the age of 66, he immediately launched another career with the Ohio Department of Highways as materials engineer. He served that post until his second "retirement" in 1955 at age of 80. Even then, he continued to serve as chairman and chief examiner for the Board of Registration for Professional Engineers and Surveyors.

Death came to the Grand Old Man of ONU on February 15, 1962 at age 86. The monuments to his career include a grateful community, a vigorous University and the proud esteem of the legions of "Tommy's boy" around the world.

## Alumni Greats

BENJAMIN FRANKLIN FAIRLESS

A steel maker for almost a half-century, Ben Fairless personified a period of lusty growth in the American steel industry. He was its recognized spokesman; he had been president, chairman and chief executive officer of the United States Steel Corporation and, since 1955, president of the American Iron and Steel Institute.

"Mr. Steel" died on New Year's Day, 1962, at the age of 71. He had served as member of the Board of Trustees of Ohio Northern University since 1935. He was an alumnus of the class of 1914, was awarded an

honorary Doctor of Engineering degree in 1935, was named the "Alumnus of the Year" in 1960.

His honors and awards were most impressive, both within the industry and in public service, and served to give emphasis to his often voiced appreciation of America.

"In what other country of this world could I have fared so well?" he was heard to inquire. "Had I been born in Wales, I should not be working proudly, but inevitably, in the coal mines there, as the men of my family had done for generations past."
